PRELIMINARY AMENDMENT

Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Kindly amend the above-identified application by adding the following new claims 4-

6:

4. A method of making a core for building panel, comprising:
- providing a plurality of ply sheets, each having a first side and a second side;
 - providing a plurality of ribs for each ply sheet, each said rib having a first edge and a second edge;
